

We would like to thank you in advance for your serious consideration, and ask that you help us as much as you can in this worthy endeavor. HomeAid Northern California, HomeFirst, Pulte Group and XL Construction are remodeling the bathrooms and reception area and adding a Veterans Corner at the HomeFirst James Boccardo Regional Reception Center Resource Center in San Jose. Our goal is to create a welcoming reception area and upgraded men’s and women’s bathrooms as well as create a special Veteran’s Corner and provide a separate sleeping area for the homeless women and homeless men.

HomeFirst™ is a leading provider of services, shelter, and housing opportunities to the homeless and those at risk of homelessness in Santa Clara County. They serve more than 4,000 adults, veterans, families, and youth each year at seven locations including the James Boccardo Reception Center, which is the county’s largest homeless services center. HomeFirst is relentlessly focused on helping people in need find and keep permanent housing.

HomeFirst has been helping those without homes in Santa Clara County since 1980. Their focus is on successful “Housing First” strategies where they get people into their own homes as quickly as possible and then support them so they can stay housed permanently. The James Boccardo Reception Center is the largest homeless service center in Santa Clara County. It provides shelter and transitional housing, housing search services, mental health counseling, employment search services, a medical clinic and the area’s most comprehensive set of programs for homeless veterans.

HomeAid, Pulte Group and XL Construction are proud to support HomeFirst with this partnership and we look forward to the completion and opening of the new bathrooms, Veterans corner and reception area this year. We are counting on your help and ask that you support this project with donated materials and/or labor, which will enable HomeFirst to concentrate their limited resources on supporting the homeless individuals they serve. Your involvement in this project is truly appreciated and your company will be recognized for your contributions. Thank you in advance for your support.
